Missouri Bankers Association Titling Accounts Manual 2022 Edition

The fifth edition of the most popular manual ever published by the MBA is available. Widely used by customer service representatives, operations officers, and other bank personnel, this manual provides guidance on titling and managing deposit accounts, specifically for Missouri banks.

This manual was originally written by attorney Michael W. Forster and has been updated by attorney Mara J. Lahnar, partner with Mickes O'Toole, LLC in St. Louis. It contains numerous helpful features, plus it has been revised to bring it up to date and add additional useful information, including revised sample forms and new material.

To order, complete the order form on the next page and return it to the Missouri Bankers Association, P.O. Box 57, Jefferson City, MO 65102 or email it to cbarnett@mobankers.com.

The manual is available either as a printed book, or electronically. Electronic access is available on a bank-wide basis, based on bank asset size.

At this time, all orders for electronic access must be submitted via the order form. Only printed books may be ordered via the MBA website.

If you have questions, please contact Carol Barnett at the MBA at (573) 636-8151 or via e-mail at cbarnett@mobankers.com.
